How long have you known this family? _____

Would you say you know this family as a participating member and/or part of your church community?
_____ Yes _____ No

Does this student participate in your church's programs or youth ministry? _____ Yes _____ No

Does this family serve in your church's programs and ministries? _____ Yes _____ No

If yes, please indicate some of the ways they serve:

Please read the mission and vision of Granville Christian Academy:

Mission

The mission of Granville Christian Academy is to **partner with Christian families and local churches** by creating a Christ-centered nurturing environment with biblically-based academic excellence and character development, **resulting in students who are becoming Christ-like and impacting their culture through servant leadership.**

Vision

The vision of Granville Christian Academy is to **prepare servant leaders for Christ.**

After reading these, do you believe this family will partner with GCA? If yes, how so?

Please use the remainder of this page to write a personal recommendation for this student. We ask that you provide us any insight you can provide to assist us in determining the needs of this student.

By signing below, you are indicating that you have answered the questions to the best of your ability with honesty and integrity.
